Los Angeles, CA 90066

Dear Terry:

Thank you very much for your great presentation at the Consultant's Roundtable All-Day Workshop last Saturday.

Because of you, I've been able to put the "NLP" communication skills into an understandable format for me and I really appreciate your succinct explanation of this tool. Your segment on using humor to build rapport with clients was great, too!

Best wishes to you,

Sonja I. Suel, CEAP
President
